RE: Petition of Office of Regulatory Staff for a Declaratory Order Against Nature's Development
Docket No. 2009-382-WS

Dear Mr. Terreni:

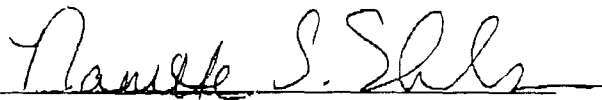

I represent Nature's Development which is owned by Mrs. Mack. We have requested a continuance of the hearing currently scheduled for tomorrow, Wednesday, January 20, 2010. We are attempting to form a home owner's association and thereby seek an exemption of the Commission's regulatory jurisdiction. The Office of Regulatory Staff ("ORS") does not oppose the requested continuance with the understanding that the hearing will be reset in ninety (90) days unless Nature's Development has come into compliance with the Commission's rules and regulations or is otherwise exempt from such requirements. I am attaching counsel for ORS's signature to this letter.

Very truly yours,

Mr. William Brice III
